Welcome to our DSCNWA Step Up for Down Syndrome fundraising page! We are “stepping up” to celebrate our **<son, daughter, niece, nephew, friend>**, **<Name of Person with Down Syndrome>** and show our support for individuals with Down Syndrome. Every dollar raised brings us one step closer to ensuring that every individual will have opportunities and resources to reach their full potential.

<Name of Person with Down Syndrome> is # years old and <personal facts>.

Our fundraising efforts will support local programs and services aimed at empowering those connected by Down Syndrome. **<OPTIONAL: Personal Story connecting Person with Down Syndrome and DSCNWA>**. These resources exist through the support of people like you. When you give to DSCNWA, you’re making a difference in the lives of families across Northwest Arkansas and improving the future of every individual with Down syndrome.

Make your tax-deductible donation today and take the first step towards helping **<Fundraising Team Name>** achieve our goal. Thank you for believing in the Down Syndrome Connection mission and helping the organization to continue serving families in our community. Your support and participation are truly appreciated!
